De-Addiction cum Rehabilitation centre Aalo

Aalo Police Thana with OC

On 07/05/202, arranged awareness class at Mother's Vision office on prevention of covid-19 for It Project's staffs, FSWs, IDUs, NGO members and other members. In the meeting, we explained the importance of using of mask, sanitizer, maintain distancing, especially to FSW and IDUs. We also asked them not to encourage the underage youth to get indulge in activities like sex and drugs.

ON 02 June 2020: *Mother's Vision (anti-drug NGO) collaborated with Karka Welfare Society and conducted a day long Awareness campaign on Covid-19 on 2nd June 2020 at Yomcha. The President of KWS and Chairperson of Mother's Vision, SmtiJumde Gamlin, appealed to the public not to create panic and to encourage everyone to take necessary precautions such as home quarantine, social distancing and wearing mask every time they step out of their homes.*

The Resource Person Dr. JumgePadu, Medical Officer Yomcha dwelt at length on precautions, do and don't, guidelines issued by the govt to be adhered.

International day against Drug Abuse and illicit trafficking

On 26th June 2020, Mother's Vision (MV) Aalo, observed International day against Drug Abuse and illicit trafficking at its Head Office and De-addiction cum Rehabilitation Centre, Aalo. Shri Kennedy Bagra, Director of the De-addiction cum Rehabilitation Centre, Aalo highlighted the aims and objectives of the day. While highlighting the objectives for which the day has been instituted by general Assembly on 1987, a recovery club was also introduced to encourage and motivate recovering addicts and alcoholics and further to support those in joining back into mainstream of life.

On this day SmtyJumdeyomgamGamlin,Chairperson,along with NGO members Smty KlrbomPaduPadu, Asst,Secy, SMty TobomEtePadu ,SmtY YagamEte, SmtY GebomPadu executive members appraised that being unable to socialize and missing emotional connectivity are the biggest challenges for the people in the early recovery, which often leads to relapse. If they are left to stray following the treatment they may be tempted to contact all drinking or using buddies to find some fun and get rid of the boredom. For the reason, it is essential that they should be protected from such factors, provided with protected environment, following the actual treatment, until they gain confidence and develop interest in sober activities. The Recovery Club is composition of NA/AA meeting room, a kitchen, a personal sharing room, a rest room with capacity to accommodate 4 persons at a time with attached toilet and bathroom on purely self help basis.11 recovery addicts are attending NA/AA meeting in the Recovery Club.

In order to make the day more familiar and cozy and also to make inmate undergoing the treatment in De-addiction Cum Rehabilitation centre, an extempore speech and an essay writing competition was held with some cash prizes, respectively, which they can take home with them on discharge from institution after successfully completing the treatment course.

The same day was observed at MV office by TI Core Composite .The participants were the IDUs FSWs, local mothers and members of NGO.

On the day Smtyjumdegamlin Chairperson, highlight the aims and objectives of the world drug day and method of deal with the addiction, and explained the services of TI Project,a package of prevention, support and linkage services to HRGs throughout reach-base service delivery models which includes screening and treatment of sexual transmitted infection(STI) and free testing of TB and reason not to share the syringes with other etc.

Smty TobomEtePadu, executive member, Mother's Vision stressed on the point that addiction is a lifelong disease which is not cure able yet a treatable disease. She also highlighted while putting those recovering addicts (who have gone through the treatment and now leading a normal lifestyle on example of the possibilities if they are provided with adequate amount of support in right time,

Recovery addicted share his

Besides observing the international drug abuse day at three separate venues, a mobile awareness campaign team in collaboration with the Home Depts. was prepared which carried out technical sessions on drugs problems and legal complications at several hotspots and risk prone area. The mobile team to create awareness was consist of OC.PS Aalo, Sri YomkenRiram, Lady inspector, OimangPertin and volunteers of Mother's Vision.
